The Times-Dispatch Burean, 5 Boilingbrook Street (Telephone 1485).

Petersburg, Va., March 31.

Judge Walter A. Watson, who is in the city, has called upon the several candidates for the postmastership to succeed General Stith Boiling, and has received from each his/letters and papers of indorsement. As has been stated, there are four/aspirants for the appointment. R. P. Barham, former owner and editor of the ladex-Appeal; Robert G. Bass, a prominent young attorney, and Judge Watson's city manager in his campaign for the congressional nomination; O. W. Mattox, president of the lower branch of the Council, and William M. Martin, secretary of the Chamber of Commerce. Each of the aspirants is induentially indorsed. Judge Watson has given no intimation as to his personal preference. He will take all the papers under careful consideration, and may not announce which Aspirant will be given his indorsement, and recommendation for the office for some days. In the meantime, he has visited around among the representative people of the city to get their sentiment as to the among the representative people of the city to get their sentiment as to the man most, suitable for the appoint-

Business Efficiency

These men are efficient business men. They rely upon the Bell Telephone. It is one of the secrets of their business success. They realize that a telephone in business is not an expense, but an actual economy. Bell Telephone service increases their doing power. It makes them the masters of every situation.

One man with a telephone can do more business than two men without a telephone-probably more than four or five men. If you are a business

Of course you have a Bell Telephone.
